- Naturally Resistant to Decay, Insects and Mold
- Low Maintenance
- Competitively Priced
- Backed by a 25 Year Warranty

“Favored by Design Professionals, Professional Builders and Homeowners”

ecosupplycenter.com
WalkGreen™ offers premium-quality exterior hardwood products – decking and siding – from certified responsibly managed sources in the Amazon.

WalkGreen™ is a division of The Magellan Group. As members of the Forest Stewardship Council® for many years, and suppliers of FSC® Pine products, it was only natural that they expand their wood product offerings to include FSC® Certified hardwood products - which they have grouped under the WalkGreen™ brand.

WalkGreen’s™ philosophy of stewardship, product quality and client satisfaction is supported by holding the largest inventory of eco-friendly, FSC® Certified tropical hardwood decking in North America. WalkGreen™ has approximately 500,000 lineal on the ground at all times, ready for prompt shipment.

**WALKGREEN™ CERTIFIED HARDWOOD IS...**

**Durable & Long Lasting**
With a durability rating of 30+ years, WalkGreen™ hardwoods are strong and extremely durable, giving you years of trouble free service.

**Real Wood**
Few materials combine the beauty of real wood with natural durability, strength and ease of maintenance. WalkGreen™ Exotic Hardwood is one of the best alternatives to chemically treated wood, and heat retentive composites.

**Easy to Maintain**
The dense and natural properties of WalkGreen™ hardwoods make maintenance easy. Annual cleaning to remove dirt, debris, and any other buildup can be done using soap and water, or by powerwashing. Leaving your hardwood unfinished will allow it to turn to a natural grey without compromising its natural durability. If a fresh wood look is desired, an annual application of a UV inhibiting stain or sealant will keep your deck or siding in its original rich color.

**Environmentally Friendly**
WalkGreen™ offers only FSC® Certified hardwoods. Widely recognized as the global “Gold Standard” for responsible forestry practices, you can rest peacefully with the knowledge that by choosing WalkGreen™ hardwood for your deck, siding or other requirements, you will not be adversely contributing to the destruction of tropical forests, but rather helping to protect our forests for future generations.

**Beautiful Appearance**
Whether your considering materials for decking, siding or for another exterior application - nothing matches the appearance, and nothing adds more value and environmental credibility to your home or project than WalkGreen™ Exotic Hardwoods.

**Versatile**
Besides exterior decking and the many siding profiles readily available, WalkGreens Exotic Hardwoods can be utilized for a multitude of other uses, such as - horizontal and vertical fence designs, benches and other installed structures, arbors, privacy screens, furniture, planter boxes, etc. The only limitation is your imagination.
**FSC® CERTIFIED ANGELYN**
Angelyn is widely used in Europe and is now being introduced to North America as an affordable option for exterior decking, siding or other applications. A medium density hardwood with color variances from pinkish to reddish brown.

- DKEG64AN21140 .... 1” x 6” (7/8” x 5 1/2”) .... $
- DKEG64AN25140 .... 5/4” x 6” (1” x 5 1/2”) .... $

---

**FSC® CERTIFIED CUMARU**
Cumaru is a highly dense hardwood with a rich honey brown to reddish brown color and beautiful grain characteristics. Given their similar mechanical properties, but lower price, Cumaru is often utilized as an alternative to Ipe’.

- DKEG64CU21090 .... 1” x 4” (7/8” x 3 1/2”) .... $
- DKEG64CU21140 .... 1” x 6” (7/8” x 5 1/2”) .... $
- DKEG64CU01350 .... 5/4” x 4” (1” x 3 1/2”) .... $
- DKEG64CU01550 .... 5/4” x 6” (1” x 5 1/2”) .... $

---

**FSC® CERTIFIED GOLD GARAPA**
Garapa is a fine textured, highly dense hardwood that offers a lighter color option for your projects. With its rich golden tones, which will darken slightly with age, Garapa has a look all its own.

- DKEG64GP21140 .... 1” x 6” (7/8” x 5 1/2”) .... $
- DKEG64GP01550 .... 5/4” x 6” (1” x 5 1/2”) .... $

---

**FSC® ESPRESSO GARAPA**
Espresso Garapa offers the same fine textured, highly dense Gold Garapa, but with a medium brown factory finish applied.

DKEG6438GP21140 .... 1” x 6” (7/8” x 5 1/2”) .... $

---

**MILLING OPTIONS**
- Industry Standard Siding Patterns
- Rainscreen Siding Patterns
- Edge-Grooving for Hidden Fastening
- Custom Milling

CHECKLIST FOR DECKING INSTALLATIONS

☐ Acclimate lumber to area temperature and humidity levels before installation. Protect lumber from rain and sun during storage.

☐ Use premium carbide tipped saw blades and high quality drill & bits.

☐ End Seal immediately after cross-cutting with a clear aqueous wax end sealer.

☐ Pre-finish all four sides with a penetrating oil with UV inhibitors specifically formulated for exotic hardwoods.

☐ Build your deck so the surface is at least 18” above the ground. In wet areas, or over water, additional clearance is necessary.

☐ Apply vapor barrier if decking is less than 60” above the ground.

☐ If surface is less than 12” above ground, suggest using nominal 5/4x4 deck board size.

☐ Perimeter fascia to be well ventilated.

☐ Provide adequate cross air-flow.

☐ 305 Stainless Steel fasteners highly recommended—316 Stainless Steel in coastal regions.

☐ Pre-drill and countersink screws.

☐ Screw penetration 1-1/2” or more into deck joists, and 3/4” from edges of boards.

☐ Set spacing between boards at 3/16” for 4” and 1/4” for 6” decking.

☐ 2 screws per joist.

☐ 16” on-center joist systems on 4/4 boards and 24” on-center for 5/4 boards.

☐ Butt up trimmed ends tightly.

☐ Upon completion, additional application of finish to top of installed deck boards encouraged.

DECKING WARRANTY

ELIGIBILITY
The Magellan Group, Ltd. owner of WalkGreen™ Decking (the ‘Warrantor’), is pleased to extend this Warranty to you, the original consumer of the WalkGreen™ product. This Warranty is valid for WalkGreen™ Decking used in standard residential dwellings and may be transferred one (1) time, within the five (5) year period beginning from the date of original purchase by the Purchaser, to a subsequent Buyer of the property upon which the WalkGreen™ products were originally installed.

25 YEAR LIMITED WARRANTY

Limited to WalkGreen™ Cumaru, Tigerwood, Garapa

Warrantor, at its option, will refund a percentage of the purchase price or replace any WalkGreen™ Decking used in a decking application that becomes structurally unfit due to rot, decay or termite damage within 25 years from the date of purchase from an authorized WalkGreen™ Decking dealer. This Warranty does not cover costs of installation, removal or reinstallation, or for the natural characteristic of some wood to check, split, warp or twist. This Warranty does not cover staining, color variations or fading.

15 YEAR LIMITED WARRANTY

Limited to WalkGreen™ Angelyn

Warrantor, at its option, will refund a percentage of the purchase price or replace any WalkGreen™ Decking used in a decking application that becomes structurally unfit due to rot, decay or termite damage within 25 years from the date of purchase from an authorized WalkGreen™ Decking dealer. This Warranty does not cover costs of installation, removal or reinstallation, or for the natural characteristic of some wood to check, split, warp or twist. This Warranty does not cover staining, color variations or fading.

LIMITATIONS ON 25 YEAR and 15 YEAR WARRANTY

Warrantor’s sole obligation is limited to replacement of the WalkGreen™ product, and the Warrantor shall have no further liability or obligation except as expressly stated herein. The Warrantor may elect to refund the percentage of the original purchase price listed on the Prorated Warranty Schedule in lieu of replacing the product. If a claim is made under this Warranty on a product that is no longer available, Warrantor reserves the right to substitute replacement with a similar product of equivalent quality and value at Warrantor’s discretion.

Warrantor does not warrant against and is not responsible for, and no implied warranty shall be deemed to cover, any condition attributable, but not exclusive, to the following conditions/uses:

● Damage or physical abuse, acts of God, acts of war, or other chemical or biological factors
● Any installation not done in accordance with Warrantor’s installation guidelines and local building codes
● Product abused or placed under or subjected to abnormal residential use conditions
● Products that have been used, modified or otherwise treated in any manner other than as intended by Warrantor
● Improper expansion gap between the boards
● Improper ventilation and/or inadequate airflow beneath the deck
● Consumers choice of hardware

Failure to follow any restrictions or warnings supplied with the product shall make the Warranty null and void and of no further effect. Warrantor, or it’s appointed agent, reserves the right to investigate any claim and to inspect the materials for which a claim is made. Any construction or use of this product must be in accordance with all local zoning and/or building codes. The consumer assumes all risk and liability associated with the construction or use of this product.

WARRANTY REGISTRATION
In order to validate your Warranty you must complete and mail the following registration card within 90 days after installation. A copy of the receipt from an authorized Magellan Group, Ltd. WalkGreen™ Decking dealer or contractor and a photo of the project are required. Mail to The Magellan Group, Ltd., 3201 Bond Road, Poulsbo, Washington 98370

There are no other warranties which extend beyond the description on the face hereof. The above remedy is exclusive and is in lieu of all other remedies, expressed, implied, or statutory, including but not limited to any and all other obligations, liabilities, whether in contract or in tort, all of which are expressly disclaimed. In no event shall the Warrantor be liable for incidental, consequential, indirect or punitive damages of any kind. Warrantor does not make any implied warranty of merchantability or fitness of the product for a particular purpose.
SIDING WARRANTY

ELIGIBILITY
The Magellan Group, Ltd. owner of WalkGreen™ Siding (the ‘Warrantor’), is pleased to extend this Warranty to you, the original consumer of the WalkGreen™ product. This Warranty is valid for WalkGreen™ Siding used in standard residential dwellings and may be transferred one (1) time, within the five (5) year period beginning from the date of original purchase by the Purchaser, to a subsequent Buyer of the property upon which the WalkGreen™ products were originally installed.

25 YEAR LIMITED WARRANTY
Limited to WalkGreen™ Cumaru, Tigerwood, Garapa
Warrantor, at its option, will refund a percentage of the purchase price or replace any WalkGreen™ Siding used in a siding application that becomes structurally unfit due to rot, decay or termite damage within 25 years from the date of purchase from an authorized WalkGreen™ Siding dealer. This Warranty does not cover costs of installation, removal or reinstallation, or for the natural characteristic of some wood to check, split, warp or twist. This Warranty does not cover staining, color variations or fading.

15 YEAR LIMITED WARRANTY
Limited to WalkGreen™ Angelyn
Warrantor, at its option, will refund a percentage of the purchase price or replace any WalkGreen™ Siding used in a siding application that becomes structurally unfit due to rot, decay or termite damage within 15 years from the date of purchase from an authorized WalkGreen™ Siding dealer. This Warranty does not cover costs of installation, removal or reinstallation, or for the natural characteristic of some wood to check, split, warp or twist. This Warranty does not cover staining, color variations or fading.

LIMITATIONS ON 25 YEAR and 15 YEAR WARRANTY
Warrantor's sole obligation is limited to replacement of the WalkGreen™ product, and the Warrantor shall have no further liability or obligation except as expressly stated herein. If a claim is made under this Warranty on a product that is no longer available, Warrantor reserves the right to substitute replacement with a similar product of equivalent quality and value at Warrantor's discretion.
Warrantor does not warrant against and is not responsible for, and no implied warranty shall be deemed to cover, any condition attributable, but not exclusive, to the following conditions/uses:

- Damage or physical abuse, acts of God, acts of war, or other chemical or biological factors
- Movement, distortion, collapse or settling of the walls or the supporting structure on which WalkGreen™ products are installed
- Custom siding profiles. Patterns must conform to industry standard patterns as outlined in the following organization(s) published pattern books: West Coast Lumber Inspection Bureau (www.wclib.org), Western Wood Products Association (www2.wwpa.org), or California Redwood Association (www.calredwood.org)
- Custom Rainscreen profiles. Patterns must conform to WalkGreen™ approved and published standard profiles
- Any installation not done in accordance with Warrantor’s installation guidelines and local building codes
- Product abused or placed under or subjected to abnormal residential use conditions
- Products that have been used, modified or otherwise treated in any manner other than as intended by Warrantor
- Improper gapping, ventilation space and/or inadequate airflow between the sheathing and the siding
- Consumers choice of hardware

Failure to follow any restrictions or warnings supplied with the product shall make the Warranty null and void and of no further effect. Warrantor, or it’s appointed agent, reserves the right to investigate any claim and to inspect the materials for which a claim is made. Any construction or use of this product must be in accordance with all local zoning and/or building codes.
