

Richlite® Cascade Custom Layering

Lifetime Limited Warranty for Interior Residential Use

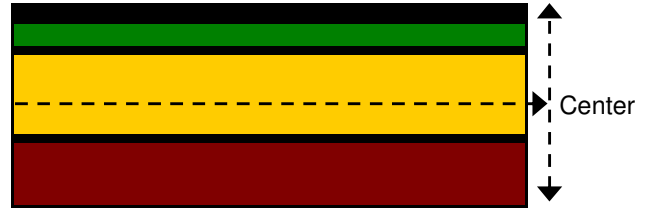

Guidelines

1. The top and bottom (horizontally) MUST mirror each other from center line out.
2. Thinnest individual layer = .03125" (1/32")
3. Please review the correct and incorrect examples below.
4. Use the blank template below to draw your custom layered design — use the template example for reference.
5. Please sign and date the form.
6. Attach a pdf of the signed form with the purchase order.
